

With a wealth of information now available on our website, we have developed our new "Search wheel" to make finding articles and digital media even easier. All our webinars, webcasts, case studies, and articles from our online magazine Innovation Review are now categorised under six themes:

Decision making, Planning, Design, Construction, Refurbishment and Performance.

You can access this tool [on our website](#).

INNOVATION REVIEW

The September 2011 issue of our quarterly magazine, Innovation Review has now been published.

The Highlights in this issue include:

- Synergy of Fabric and Energy Conservation in Older Historic Properties
- Edinburgh Centre on Climate Change
- Industry Aspirations for Building Integrated Photovoltaic Thermal Heat Recovery Systems

You can view the [online version here](#)

There is also a [PDF version available](#)

PROJECT IMPACTS SURVEY

We have received a good response from our last survey email. We will be offering another chance to complete the survey later in the month, with a prize draw offering our sponsorship package for a future webinar.

To date CIC Start Online membership has grown to 800 members, representing 600 organisations - of which 400 are Scottish SMEs. Our members cross multiple sectors but all maintain a unifying interest in sustainable building design and refurbishment in Scotland. *Thank you for being part of CIC Start Online!*

CIC Start Online is led by Glasgow Caledonian University in collaboration with Edinburgh Napier University, The Glasgow School of Art, Heriot Watt University, The Robert Gordon University, University of Edinburgh and University of Strathclyde Glasgow
