

Professor Branka Dimitrijevic

CURRICULUM VITAE

QUALIFICATIONS

HIGHER EDUCATION

Dates	Institution	Qualifications gained
Sept/71 - July/76	Faculty of Architecture and Urban Planning, University of Sarajevo, Bosnia and Herzegovina	Dipl. Eng. in Architecture and Urban Planning (July 1976)
Sept/77- July/79	Faculty of Architecture, University of Zagreb, Croatia	MSc in Revitalisation of Architectural and Urban Heritage (July 1985)
Sept/89 - July/91	Faculty of Architecture, University of Zagreb, Croatia	PhD in History of Architecture (July 1991)
Feb/99 - April/2000	Faculty of Education, University of Strathclyde, Glasgow, UK Modules: <ul style="list-style-type: none">• Learning, Teaching and Assessment in Higher Education• Web based teaching• Internet communication in teaching and research• Professional development planning	Postgraduate certificate in Advanced Academic Studies (September 2000)

LANGUAGE SKILLS

English, fluent

French, high level, completed four courses, lived in French speaking countries for three years

Italian, medium level, completed four courses, undertaken research for four months in Rome, Italy

German, basic, completed one course

Spanish, basic, completed one course

Serbo-Croat, mother tongue

EMPLOYMENT HISTORY

September 2009 – currently – Director of CIC Start Online

July 2009 – September 2010 - Director of the Centre for the Built Environment (CBE)

Name and address of employer: School of the Built and Natural Environment, Glasgow Caledonian University, 70 Cowcaddens Road, Glasgow G4 0BA

Responsibilities:

Directing CIC Start Online, a joint project of Glasgow Caledonian University (lead partner), Edinburgh Napier University, Glasgow School of Art, Heriot Watt University, The Robert Gordon University, University of Edinburgh and University of Strathclyde Glasgow. The project aim is to embed sustainable building design and refurbishment into practice. The project is funded by

European Regional Development Fund and Scottish Government's SEEKIT programme from September 2009 until August 2012.

CBE is a joint venture of the University of Strathclyde Glasgow, Glasgow Caledonian University and the Mackintosh School of Architecture (Glasgow School of Art) that provides knowledge transfer to the construction sector in the West of Scotland.

Since 2011, a Visiting Professor at the University of Basilicata, Potenza, Italy on Sustainability of Architectural and Urban Heritage

Since 2005, a Visiting Professor at the Polytechnic University of Bari, Italy, on Sustainable Development, Sustainable Urban Development, Building Design and Construction at a postgraduate course.

Since 2002, a Visiting Lecturer on Sustainable Development, Sustainable Urban Development, Sustainable Building Design and Sustainable Construction at postgraduate courses at the University of Strathclyde

July 2008 – August 2009 - Director of the Centre for the Built Environment (CBE) and Manager of the Scottish Construction Centre (SCC)

Name and address of employer: School of the Built and Natural Environment, Glasgow Caledonian University, 70 Cowcaddens Road, Glasgow G4 0BA

Responsibilities:

Directing CBE (50% of time) and managing the SCC (50% of time).

SCC is a joint project of CIRIA (lead partner), Glasgow Caledonian University, Dundee University, BRE Scotland and Building Software Ltd. SCC has been set up to promote innovation and excellence in Scotland's construction industry. It is funded by Scottish Enterprise.

CBE is a joint venture of the University of Strathclyde Glasgow, Glasgow Caledonian University and the Mackintosh School of Architecture (Glasgow School of Art) that provides knowledge transfer to the construction sector in Scotland.

March 2006 - June 2008 - Director of the Centre for the Built Environment (CBE)

Name and address of employer: School of the Built and Natural Environment, Glasgow Caledonian University, 70 Cowcaddens Road, Glasgow G4 0BA

Responsibilities:

Directing a joint knowledge transfer project between academia (University of Strathclyde Glasgow, Glasgow Caledonian University and the Mackintosh School of Architecture at the Glasgow School of Art) and industry, funded by European Regional Development Fund and Scottish Government.

June 2002 – February 2006 - Director of the Centre for the Built Environment (CBE)

Name and address of employer:

Department of Architecture, University of Strathclyde, 131 Rottenrow, Glasgow G4 0NG

Responsibilities:

Same as above.

March/98-May/02 - Research Fellow

Name and address of employer:

Department of Civil Engineering, University of Strathclyde, 107 Rottenrow, Glasgow G4 0NG

Responsibilities:

- 2001-2002, Co-ordination of a one-year EC FP5 funded project involving University of Strathclyde and University of 'Cyril and Method', Skopje, FYR of Macedonia, on Consortium building for research in innovations for sustainable development
 - 2000-2001, Co-ordination of the Network of Construction Creativity Clubs, involving 13 universities across the United Kingdom to provide knowledge transfer between academia and the construction industry, a one-year project funded by EPSRC.
 - 1998-2000, Research on Sustainability of Buildings: Durability, Adaptability and Energy Conservation, a two-year EPSRC funded project.
-

Feb/95 - June/97 - Tutor at the Conservation Course

Name and address of employer:

Department of Architecture, University of Strathclyde, 131 Rottenrow, Glasgow G4 0NG

Responsibilities:

Studio tutorial to undergraduate students, assessment and administration

Jan/93 - May/94 – Freelance architect and researcher; Art teacher

Name and address of employer: Ateliers d'Urbanisme et d'Architecture, Oran-Algiers, Algeria; American School of Algiers, Algeria

Responsibilities:

- Town planning of a residential quarter 'Bois de Boulogne' in L'Arbaa, Algeria, in collaboration with Mr. Tewfik Guerroudj, Director of Ateliers d'Urbanisme et d'Architecture, Oran-Algiers, Algeria
 - Interior design and project management of the British Recreational Club within the British Council in Algiers, Algeria
 - A project for extending the American School of Algiers, Algeria
 - Part time teaching art to primary and secondary school students, American School of Algiers, Algeria
-

Oct/81 – Dec/92 - Assistant Lecturer on History of Architecture and Revitalisation of Architectural and Urban Heritage

Name and address of employer:

Faculty of Architecture, University of Sarajevo, 24 Hasana Brkica, 71000 Sarajevo, Bosnia and Herzegovina

Responsibilities:

- Studio tutorial and teaching, History of Architecture and Revitalisation of Architectural and Urban Heritage to undergraduate students, assessment and administration.
 - Research on evaluation and projects for revitalisation of architectural and urban heritage in collaboration with the Institute for Preservation of Monuments of Sarajevo, Bosnia and Herzegovina and the Institute of Urban Planning, Sarajevo, Bosnia and Herzegovina
-

Sept/76 - Oct/81- Cost and quality surveyor of building construction works on behalf of a housing association

Name and address of employer:

Housing Association "Sarajevostan", Sarajevo, Bosnia and Herzegovina.

Responsibilities:

Quality control of construction and restoration projects.

Outcomes of research within the project *Spatial, Environmental, Energy and Social Aspects of Developing Settlements and Climate Change – Mutual Impacts*, led by the Institute for Architecture and Urbanism, funded by Ministry of Science, Serbia, 01/02/2011- 31/12/2014.

LEARNING AND TEACHING MATERIAL

- 2011 – Lectures on Assessing the Sustainability of Built Heritage, Reducing Carbon Emissions from Built Heritage and Strengthening the Resilience of Built Heritage at the undergraduate course at the University of Basilicata, Potenza, Italy
- 2005-2010 – Lectures on Sustainable Urban Development, Building Design and Construction at the Postgraduate Course at the Politecnico di Bari, Italy
- 2006 - Two Modules for the Lean Construction Management Course for architects, Department of Architecture, University of Strathclyde:
 - Design and Construction Management: Mobilisation and Project Planning, Health and Safety Management, Financial Monitoring, Maintenance, Construction Options
 - Post-Project Evaluation: Closing Out a Project, Health and Safety Files, Retentions and Defects Liability, Knowledge Management, Post-Project Evaluation and Post-Occupancy Feedback
- 2002-2010 – Various lectures on sustainable development and built environment at a postgraduate course at the University of Strathclyde.
- 2002 - Two modules for MSc Matching Section Programme at the Department of Civil Engineering, University of Strathclyde:
 - Sustainable Urban Planning
 - Sustainable Construction
- 1981-1992 – Lectures in History of Architecture for undergraduate students at the Faculty of Architecture, University of Sarajevo, Bosnia and Herzegovina

CONSULTANCY

Building Design

1992: Interior of the British Recreational Club in the Embassy of the United Kingdom in Algiers, Algeria

1989: House Gavrankapetanovic in Pocitelj, Bosnia and Herzegovina

1987: House Umicevic on the island Vis, Croatia

1977-1990: 10 interiors of shops in Sarajevo, Bosnia and Herzegovina

Evaluation of the built heritage

1991: Evaluation of the Architectural and Urban Heritage of Residential Quarters Kovaci and Vratnik in Sarajevo, for the Institute for Preservation of Monuments of Sarajevo, leading a team from the Institute

1989: Evaluation of the Architectural and Urban Heritage of the Old Town in Maglaj, with Selma Arnautovic, for the Institute of Urban Planning of Bosnia and Herzegovina

Urban Planning

1993: Urban planning project for a residential quarter 'Bois de Boulogne' in L'Arbaa, with Tewfik Guerroudj, for Ateliers d'Urbanisme et d'Architecture, Oran-Algiers, Algeria

1991: Programme for the Urban Planning Project of the Main Square in the Historical Core of Gradacac, with Nedžad Kurto and Filip Deljak, for the Institute of Urban Planning of Bosnia and Herzegovina

1990: Runner-up at the open competition for urban planning of Radic Street in Sarajevo, with Selma Arnautovic and Filip Deljak

1989: Urban plan of the Old Town in Maglaj, with Selma Arnautovic, for the Institute of Urban Planning of Bosnia and Herzegovina

EXHIBITIONS

B. Dimitrijevic, J. Kudela and M. Kujovic (7th June – 31st July 2007) *Arhitekt Karlo Pařík u Bosni i Hercegovini 1857-1942 (Architect Karel Pařík in Bosnia and Herzegovina 1857-1942)*, at the National Museum of B&H. Supported by the Presidency of Bosnia and Herzegovina and realised in collaboration with the Embassy of the Czech Republic in B&H, the Archive of B&H, the Historical Archive of Sarajevo, the Museum of Sarajevo and the National Museum of B&H. The exhibition will be transferred to Prague in 2008.

B. Dimitrijevic (1993 - to date) Annual or biannual exhibitions of paintings (watercolours, oils, pastels) featuring townscapes, landscapes and portraits, held in Algiers, Algeria, and Glasgow.

B. Dimitrijevic and F. Deljak (1st – 31st October 1991) *Architect Karel Pařík*, at the Museum of the 14th Winter Olympic Games, Sarajevo, Bosnia and Herzegovina. The exhibition was based on my PhD.

B. Dimitrijevic and S. Arnautovic (8th – 31st March 1991) *Women Architects in Sarajevo*, at Collegium Artisticum, Sarajevo, Bosnia and Herzegovina. The annual exhibition of women architects in Sarajevo in collaboration with the Architectural Association of Sarajevo. My projects were also exhibited.

TV PROGRAMMES

After the opening of the exhibition on Karlo Pařík (based on my PhD) at the National Museum in Sarajevo, Bosnia and Herzegovina in June 2007, I have collaborated with the TV B&H on filming the exhibition and Karlo Pařík's buildings in Sarajevo by providing a commentary on the exhibits and his architecture. An hour long programme was broadcasted on the national TV.

RESEARCH PROJECTS

Dates	Title	Applicants	Funding body
01/02/11-31/12/14	Spatial, Environmental, Energy and Social Aspects of Developing Settlements and Climate Change – Mutual Impacts	Dr Mila Pucar and the research team of the Institute for Architecture and Urbanism, Belgrade, Serbia; Dr B. Dimitrijevic , Glasgow Caledonian University	Ministry of Science, Serbia
01/02/11-30/06/11	Reinforced Concrete Condition Assessment in Heritage Buildings: Lion Chambers in Glasgow (UK) and Duni Theatre in Matera (Italy)	Prof. Antonella Guida, Dr Antonello Pagliuca (University of Basilicata, Potenza, Italy) and Dr B. Dimitrijevic (Glasgow	University of Basilicata, Potenza, Italy

01/12/01-30/11/02	Consortium Building for Research in Innovations for Sustainable Construction, a support measure to develop a research consortium	Caledonian University) Prof. D. Langford and Dr B. Dimitrijevic , Strathclyde University; Prof. Z. Vukelic, University of Skopje, FYR of Macedonia	EU Framework Programme 5
1998-2000	Sustainable Buildings: Durability, Adaptability and Energy Conservation	Prof. D. Langford, Prof, I. MacLeod, Prof Tom Maver and Dr. B. Dimitrijevic , Strathclyde University	EPSRC
01/02/92-31/05/94	Confluence of Architectural Styles in the Mediterranean Region	Dr Branka Dimitrijevic , University of Sarajevo	Algerian government (logistical support)
01/02/90-28/03/90	Architect Karlo Pařik	Dr Branka Dimitrijevic , University of Sarajevo	Austrian government (financial support)
01/01/84-30/04/84	Mid-European Architectural and Urban Heritage	Dr Branka Dimitrijevic , University of Sarajevo	Italian government (financial support)

KNOWLEDGE TRANSFER PROJECTS

Dates	Title	Applicants	Funding body
01/09/09-28/02/13	CIC Start Online www.cicstart.org	Dr Branka Dimitrijevic , Glasgow Caledonian University (lead partner), Prof. Susan Roaf (Heriot Watt University), Prof. Tariq Munir (Edinburgh Napier University), Prof. Richard Laing (The Robert Gordon University), Dr Tim Sharpe (Glasgow School of Art), Dr David Grierson (University of Strathclyde Glasgow) and John Brennan (University of Edinburgh)	European Regional Development Fund (ERDF), Scottish Government's SEEKIT Programme and Scottish Enterprise
04/07/08-31/04/11	Scottish Construction Centre www.scocon.org	Led by CIRIA: T. Broyd Glasgow Caledonian University: Prof. C. Hardcastle, Dr B. Dimitrijevic University of Dundee: Prof. M. Horner BRE Scotland: J. Fair Building Software Ltd: S. Pinkney	Scottish Enterprise
01/06/02-30/09/08	Expansion of the Centre for the Built Environment www.cbe.org.uk	Led by Glasgow Caledonian University: Prof. J. Kelly, Dr B. Dimitrijevic Strathclyde University: Dr A. Agapiou, Mackintosh School of Architecture: Dr T. Sharpe	ERDF, Scottish Executive's SEEKIT Programme Sponsors: Communities Scotland, Glasgow City Council, North Ayrshire Council, East Ayrshire Council, South Lanarkshire Council, North

			Lanarkshire Council
01/06/02- 28/02/06	The Centre for the Built Environment	Led by Strathclyde University: Prof. D. Langford, Prof. M. Corcoran, Dr B. Dimitrijevic Glasgow Caledonian University: Prof. C. Hardcastle, Prof. J. Kelly	ERDF, Scottish Executive's SEEKIT Programme
2000- 2001	Network of Construction Creativity Clubs (NCCC)	Prof. David Lanford, University of Strathclyde; Co-ordinator: Dr. B. Dimitrijevic Partners: • University of Reading • University of the West of England • South Bank University • University of Central England • Coventry University • University of Wolverhampton • University of Birmingham • University of Salford • Sheffield Hallam University • Liverpool John Moores University • Leeds Metropolitan University • Glasgow Caledonian University • University of Northumbria	EPSRC

SUPERVISION OF PhDs

2007-2009, L' "Inclusive Environment Design" per la fruibilità dei beni architettonici, Antonello Pagliuca, PhD student at the Polytechnic University of Bari, Italy.

MEMBERSHIP IN PROFESSIONAL ASSOCIATIONS

Date joined	Association	Status
Feb/10	Construction History Society	Member
Sept/01	International Council for Research and Innovation in Building and Construction (CIB).	Immediate past Co-ordinator of the working group W102 Information and Knowledge Management in Building; organised W102 2003 meeting in Glasgow
June/77	Association of Architects of Bosnia and Herzegovina	Member
June/77	Association of Architects of Sarajevo	Member

AWARDS

Date	Awarding institution	Award	Awarded work
May	Scottish Sustainable	The Scottish Green List	Knowledge transfer services

2010	Development Forum	2010	through the Centre for the Built Environment and CIC Start Online
April 2001	The Chartered Institute of Building, United Kingdom	CIOB Research Papers Competition, Runner-up	Research paper 'Design and Management of More Sustainable Buildings'
June 1976	Institute for Preservation of Monuments in Sarajevo, Bosnia and Herzegovina	Annual award for students' projects in conservation of architectural heritage	Graduation project 'Revitalisation of Sirokac Gate at Vratnik, Sarajevo'

STUDY AND TRAVEL AWARDS

Dates	Awarding institution	Destination
November 2006	Glasgow City Council	Boston, USA
April 2005	Glasgow City Council	Chicago, USA
June 2004	The Royal Academy of Engineering, United Kingdom	Toronto, Canada
March 2003	“	Budapest, Hungary
March 2002	“	Boston, USA
March/April 2001	“	Melbourne, Australia Auckland and Wellington, New Zealand, Singapore
April 2000	“	Katalama, Sri Lanka
February 1990	Austrian government	Vienna, Austria
January-April 1984	Italian government	ICCROM-UNESCO, Rome, Italy

OTHER PROFESSIONAL ACTIVITIES

Editor of a professional magazine

Since September 2009-currently, Editor of the quarterly online magazine Innovation Review published by CIC Start Online (www.cicstart.org)

International scientific referee

- Since 2008, Referee on urbanism and architecture research applications to the Ministry of Sciences, Serbia.
- Since 2007, Listed at Euronet Consulting EEIG as an expert on architecture and urban planning for EU funded projects.

External support for other projects

- Since November 2011, Member of the Steering Group of the project Intelligent Energy Europe Build Up Skills, delivered by Construction Skills, Asset Skills, Summit Skills
- Since February 2011, Member of the sub-group on Energy Demand Management in Buildings of Energy Technology Partnership

Member of professional award panels

- 2007, 2008, 2012 and 2013, Member of the Carbon Trust (Scotland) Panel for the Low Carbon Building Award.
- May 2010 and August 2009, Member of the Energy Saving Trust assessment panel for Energy Efficiency Awards 2009 and 2010
- April 2009, Member of the international panel for the competition on Integration of Renewable Energy Technologies on Existing Buildings in Southern Italy, organised by ARTI, Bari, Italy.

Engagement in research associations

- 2002-2005, Co-ordinator of the CIB W102 Knowledge and Information Management in Building.

Member of journals' advisory bodies

- Since May 2010, Member of the Editorial Advisory Board of the *Journal on Cultural Heritage Management and Sustainable Development* (JCHMSD), published by the Emerald Group in UK
- Since November 2009, Member of the Editorial Board of the publications *SPATIUM* and *Arhitektura i Urbanizam*, published by the Institute of Architecture and Urbanism of Serbia.
- 1989-91, Member of the editorial board of the journal *ARH*, Sarajevo, Bosnia and Herzegovina.

Referee for journals' papers

- Since 2012, Referee for the papers submitted to the journal *Construction and Building Materials*, published by Elsevier in the UK
- Since 2012, Referee for the papers submitted to the journal *Sustainable Cities and Society*, published by Elsevier in the UK
- Since 2011, Referee for the papers submitted to the journal *Energy Policy*, published by Elsevier in the UK
- Since October 2009, Referee for the papers submitted to the journal *SPATIUM*, Belgrade, Serbia, published by the Institute for Architecture and Urbanism, Serbia.
- Since September 2009, Referee for the papers submitted to the journal *Engineering Sustainability*, published by the Institution of Civil Engineers, United Kingdom
- Since 2009, Referee for the papers submitted to the journal *Facilities*, published by Emerald, United Kingdom.

Conference organization and chairing

- 13 December 2012, *Security of electricity supply, demand side management and Smart Grid strategy*
- 28 November 2012, *Sustainable Refurbishment of Healthcare Estates*, in collaboration with Health Facilities Scotland
- 26 November, *Building Information Modelling (BIM) and Sustainability*
- 15 November 2012, *Integration of Sustainable Infrastructure Into the Existing Built Environment*
